Tell me why do you love to make me cry?
Is there a reason, why you treat me so unkind?
It seems you try to hurt me, with everything you do
I guess you could call me crazy, 'cause I'm still in love
with you

Tell me why is your heart as cold as ice?
Oh is there a demon, hidden just behind your eyes
Well I dream someday you'll love me, but that dream
just don't come true
But that don't keep me from wishin', 'cause I'm still in
love with you

There was a time I thought my love would set you free
But now you say all that's bindin' you is me
How can that be?

Tell me why do I go on believin' your lies
And why everytime you hurt me, that I'm always so
surprised
I know that I should give up, find somebody new
It's a hopeless situation, 'cause I'm still in love with you
Woo

Yeah

Girl there was a time I thought, my love would set you
free
But now you say all that's bindin' you is me
Girl, how can it be?

Tell me why do I go on believin' your lies?
And why everytime you hurt me, well I'm always so
surprised
Girl, I know that I should give up, find somebody new
It's a hopeless situation, 'cause I'm still in love with you

Oh girl, still in love with you
'Cause I'm still in love with you
