Baby close that suitcase, Let's turn this thing Around
We got everybody talking all over town
But if you have to leave, well keep one thing in mind
Ahhh this one's gonna hurt you for a long long time

There's a bottle on the table to help me understand
How love can go so wrong between a woman & a Man
But just beyond the door here's what you will find
Girl this one's gonna hurt you for a long long time

Chorus

A long long time is forever & will I get over you
probably never
You can walk away from true love, leave your feelings
all behind
Cause this one's gonna hurt you for a long long time

Chorus

Chorus

You can walk away from true love, leave your feelings
all behind
Cause this one's gonna hurt you for a long long time
