I've been workin' and sleepin'
No time for misbehavin'
'Till I'm just about to lose my mind
I'm startin' now to wonder
If I may get out from underneath
The pressures of a daily grind

Yeah, I've had it bottled up for so long
I'm gonna have to pop the top
The trouble is when I get started
I ain't ever gonna wanna stop

So as bad as I hate to
It's time to get crazy
It's time to take some tension off
When I get wound this tight
And the fact I'm gonna hurt myself
Ain't reason enough not to
So as bad as I hate to
I'll pay that price tomorrow
'Cause it's time to get crazy tonight

Well, at home my little lady's
Got a toddler and a baby
And a million things she'll never get done
Now I know the home makin'
Is just as back breakin'
As sweatin' in the mid day sun

She's been a liftin' lot's of loads of laundry
Dancin' with a mop and a broom
When she finally gets a chance to party
You better give the little girl some room

She said, "As bad as I hate to
It's time to get crazy
It's time to take some tension off
When I get wound this tight
And the fact I'm gonna hurt myself
Ain't reason enough not to
So as bad as I hate to
I'll pay that price tomorrow

'Cause it's time to get crazy tonight, oh"

Ooo

Yeah, as bad as I hate to
It's time to get crazy
It's time to take some tension off
When I get wound this tight
And the fact I'm gonna hurt myself
Ain't reason enough not to
So as bad as I hate to
I'll pay that price tomorrow
It's time to get crazy tonight

Yeah, as bad as I hate to
I'll pay that price tomorrow
'Cause it's time to get crazy tonight
Whoooooo ooo ooo

Whoooooo
