Travis Tritt & Patti Labelle
When something is wrong with my baby,
Something is wrong with me
And if I know that he's worried,
Then I would feel the same, same misery.
We've been through so much together,
We've been as one, oh that's what makes it better
When something is wrong with my baby,
Something is wrong with me. (gonna tell you)
Oh, say it to me baby, just what he means to me now,
Oh, you people, you just don't have a clue baby
Oh you don't understand
People say, say that she's just no good,
She's my woman and I know I'm her man
Oh, if the man's, if the man's, if the man's got a
problem
I know I'd help, I know I'd help,
I know, I know I'm gonna solve it
When something is wrong with my baby,
Something is wrong with me.
When something is wrong with my baby,
Something is wrong with me.
When something is wrong with my baby,
Something is wrong with me...
