All my single ladies throw your hands in the air  
All my single ladies throw your hands in the air  
Do it, do it, do it  
Do it, do it, do it  
Do it, do it, do it like that  
Do it, do it, do it  
Do it, do it, do it  
Do it, do it, do it like that

Here we go again, check on your man  
Fast as we can, we got an evil plan  
If you can't follow me, get out the game  
Call for backup as soon as you hear my name!

[Hook:]  
It's time to get nasty  
Look at me, I'm fabulously sexy  
Front of the line, vip  
We're celebrity

[Chorus:]  
You got me feeling nasty baby  
It's kinda hot but it's so damn crazy  
It feels so good to be a single lady, baby  
Don't be afraid to explore my body  
Take off your clothes, get naughty  
Let's funk away this party

Do it, do it, do it  
Do it, do it, do it  
Do it, do it, do it like that  
Do it, do it, do it  
Do it, do it, do it  
Do it, do it, do it like that

Don't know where I left my cell phone  
I mean, this song really turns me on  
We could be jamming all night long  
The vibe is coming over me so strong  
I'm feeling we've just begun  
Let me help you put it on

[Chorus]

[T-Pain:]

Tp and b-e-e

Sure u ain't ready to party with the wife of jay z

She pretend to be a single lady

So she can ride with me

I came in to check on her
