and now i wait my whole lifetime, for you

and now i wait my whole lifetime, for you

i ride the dirt, i ride the tide, for you

i search the outside search inside for you

do take back what you left me, i know i'll always burn to
be

the one who seeks so i may find, and now i wait my
whole lifetime

my whole lifetime

so on i search my whole lifetime, for you

so on i search my whole lifetime, for you

the more i search the more my need's(a conjunction
for:"need is") for you

the more i bless the more i bleed, for you

make me smash the clock and feel, i'd rather die
behind the wheel,

time was never on my side, so on i wait my whole
lifetime

my whole lifetime

and i'm torn

(hear me) and if i close my mind in fear, please pry it
open

(see me) and if my face becomes sincere, beware

(hold me)and when i start to come undone, stitch me
together

(see me)and when you see me strut, remind me of
what left this outlaw torn
