Thought you were drowning all the words  
'cause ocean broke in your eyes  
Floating out across the floor  
Like you swam it in the spotlight

Our hands slowly reaches out  
for a home with you in the clouds  
We wait for whispers drifting out  
don't wake me, please,  
don't wake me, please don't-

Dance like dreamers  
(we're dancing slowly 'cause the morning's creeping  
closer)  
Dance like dreamers  
(This song is all about that feeling that's getting close  
enough)

Don't wake me please  
I don't wanna know  
It's all a dream  
But sleep is human  
To left we bleed  
too many times, before

One shot,  
nothing to lose  
and  
tonight the feeling takes itself  
and

I saw the echoes in the breeze

don't wake me, please,  
don't wake me, please don't  
wake me, please don't  
wake me, please don't

Dance like dreamers  
(we're dancing slowly 'cause morning's creeping  
closer)

Dance like dreamers  
(this song is all about that feeling getting close  
enough)

One shot,  
nothing to lose  
No, no, no, no

Dance like dreamers

Dance like dreamers  
Dance like dreamers

I've got one shot,  
nothing to lose  
No, no, no, no  
Dance like dreamers  
This song is all about that feeling that keeps getting  
close enough
