I like to dream
Right between the sound machine
On a cloud of sound I drift in the night
Any place it goes is right
Goes far, flies near, to the stars away from here

Well, you don't know what we can find
Why don't you come with me little girl on a magic
carpet ride?
You don't know what we can see
Why don't you tell your dreams to me?, fantasy will set
you free.

Last night I held Aladdin's lamp, and so I wished that I
could stay.
Before the thing could answer me well someone came
and took the lamp away
I looked around, a lousy candle was all I found.

Well, you don't know what we can find
Why don't you come with me little girl on a magic
carpet ride?
Well, you don't know what we can see
Why don't you tell your dreams to me? fantasy will set
you free.

Close your eyes girl, look inside girl, let the Sound take
you away.

You don't know what we can find
Why don't you come with me little girl on a magic
carpet ride?
Well, you don't know what we can find
Why don't you come with me little girl on a magic
carpet ride?
