Listen all you mutha fuckas  
Listen all you mutha fuckas

That's the name of the game  
That's the name of the game

Yo  
Topple the crown  
Rape the queen  
The fatal mistake in your cradle  
Can't shake the dreams of  
Fire inside of your phonograph  
Battered with gas  
And give you room to breathe  
Through an adequate mask

Everybody in front  
Let me see ya pumpin' ya fists  
If you up in the back room  
When you rockin' with this  
Come on  
Keepin' ya speaker knockin'  
Jumpin' bangin' bumpin' blazin'  
Hot  
Callin' all freaks (all freaks)

Callin' all freaks now  
Yo, yo  
Callin' all freaks (all freaks)  
Callin' all freaks now  
(That's right)

That's the name of the game (x4)

Callin' all... freaks  
Callin' all... freaks  
Callin' all...  
Callin' all...  
(That's right)

Get em up in the back room

Get em up in the back room  
I said get em up in the back room  
Mutha fuka

Callin' all... (x8)

That's the name of the game  
Callin' all freaks  
That's the name of the game  
Callin' all freaks now  
That's the name of the game  
Yo, yo, callin' all freaks  
That's the name of the game  
Callin' all freaks now
