[CHORUS 1 STEPHEN MARLEY] JAH TOLD YOU IN HIS OWN WORDS "AND I'LL SEE YOU THROUGH" TO GUIDE YOU THROUGH THIS COLD WORLD "AND I'LL SEE YOU THROUGH" JAH TOLD YOU IN HIS OWN WORDS "AND I'LL SEE YOU THROUGH" TO GUIDE YOU THROUGH THIS COLD WORLD "AND I'LL SEE YOU THROUGH" [VERSE 1 NAS] Two steps away from death A vest and a holster I detest detectives arresting us over Weapons possession They was checking the Rover Inspecting the Tattoos On my neck and my shoulder How many times I'm one of six Coffin holders Or I'm Sitting with goons in the visiting rooms Flip it I could have been you Behind state walls biddin' These are the things that a G pray for Acquit us A little stash in the safe or Little Shorty to wait for him Or a Shorty to take the weight for him What really did I escape from? Thought I saw Gods face On the design in my vintage Claiborne Swear I see Him every day ya'll In a bus or the train or The billboards out there that hang tall I still give thanks for Him Have faith for Him No matter what His name's called Seen!

WORLD "AND I'LL SEE YOU THROUGH" [VERSE 3 NAS]
Some ask me if I feel That Zion is surreal And in my
songs Do I plan to expose and reveal Word to the curb
That's under these chrome wheels My homies is the
only ones I'm taking care of But severe reality starts to
become more clear And these know-it-all rappers Have
become more weird As if they were superior And fans
are inferior How I balance between the streets and the
theories of Collegiate literature I hold mirrors up Give
combinations of pain, joy, fear and love Through my
perspective I can see Jah reflection In the highest
definition Getting high with my bredrin Then I ask him
why is Africans dying from circumcision They lack
proper surgeons and suffer malnutrition
Underestimate the wealth of their own wisdom Its like
its been exchanged for this penicillin Seen [CHORUS 4
x2 STEPHEN MARLEY] JAH TOLD YOU IN HIS OWN
WORDS "AND I'LL SEE YOU THROUGH" TO GUIDE YOU
THROUGH THIS COLD WORLD "AND I'LL SEE YOU
THROUGH"
