Now I and I say greetings in the name of the mighty  
king

And I and I say played by the King love is all I bring

And I and I say Africa is I and I responsibility  
dreadlocks

Yes, huh

To the Promise Land

Going to the Promise Land

Yes, the Promise Land, o gosh now

To the Promise Land, yeah

Imagine Ghana like California with Sunset Boulevard

Johannesburg would be Miami, Somalia like New York

With the most pretty light, the nuffest pretty car

Ever New Year the African Times Square lock-off

Imagine Lagos like Las Vegas, the ballers dem a ball

Angola like Atlanta, a pure plane take off

Bush Gardens inna Mali, Chicago inna Chad

Magic Kingdom inna Egypt, Philadelphia like Sudan

The Congo like Colorado, Fort Knox inna Gabon

People living in Morocco like the state of Oregon

Algeria warmer than Arizona, bring your sun lotion

Early morning class of Yoga on the beach in Senegal

Ethiopia the capitol of fi di Congression

A deh so I belong, a deh di the king come from

I can see us all in limos, Jaguars and B'mos

Riding on the King's Highway

To the Promise Land

Going to the Promise Land

O, Gosh

Yeah, the Promise Land

Yeah, the Promise Land

Oh

Promised Land, I picture Porsches, Basquiat portraits

Pinky rings realistic princesses

Heiresses bunch a kings and queens

Plus I picture fortunes for kids out in Port-Au-Prince

Powerless, they not allowed to fit but not about to slip

Vision Promised Land with fashion like

Madison Ave, Manhattan, Saks 5th Ave and Rodeo

Relaxing popping labels, Promise Land no fables

This where the truth's told, use them two holes

Above your nose to see the proof yo

Imagine a contraption that could take us back

When the world was run by black men

Back to the future, anything can happen

If these are the last days and 100-foot waves come  
crashing down

I get some hash and pounds

Pass around the bud then watch the flood

Can't stop apocalypse

My synopsis is catastrophic

If satellites is causing earthquakes

Will we survive it?

Honestly man it's the sign of the times

And the times at hand

There's a lot of work to be done, o gosh

In the Promised Land

Going to the Promise Land

O gosh

Take me to the Promise Land

The Promise Land

Oh, the Promise Land

The Promise Land, oh, oh, yeah

There's plenty of land for you and I

Buy and buy

Lots of food to share for everyone

No time for segregation

In the Promised Land

Yes a to the Promised Land

The Promised Land

Going to The Promise Land

Oh

There's a lot of work to be done

## In the Promise
