What's left for me
I feel so lonely
It's hard to make a choice beyond me
Distance between us
Been sharing all my days
I wish I could follow
I know you won't change

All night you said
Changing all my ways
Take time to faint
Choice that haunts me

Won't you go
Won't you stay
Don't you go

Don't you go
Don't you stay
Don't you go again

What's left for me
I feel so lonely
It's hard to make
A choice beyond me

So clean just see
As distance comes between us in your eyes
You say a choice beyond me

Distance between us
Been sharing all my days
I wish I could follow
I know you won't stay

Distance between us
Been sharing all my days
I wish I could follow
I know you won't stay

Distance between us

Been sharing all my days
I wish I could follow
I know you won't stay

I know you won't stay

I know you won't stay
