I Guess
What concerns me the most,
Getting any younger so we like to boast.
With the cracks and fissures splintering our lovely lives
Acceptance of the shiny brand new kitchen knives

So I,
have decided not to live that way,
I still behave in public,
And I don't confuse the night with day.
And I'm,
Better off please don't say,
We know you'll never live without, you have no way to
keep it out
I Pray

That I'll be saved before to long,
Another two or three days and I'll get it wrong
Patch of thistle measuring our early grave
with waxy gleam we stroll along the colon ave.

And I,
have decided not to live that way,
I still behave in public,
And I don't confuse the night with day.
And I'm,
Better off please don't say,
We know you'll never live without, you have no way to
keep it out..
I...

Did,
Just what they told me, I'm just tryin' to make my way
I did,
Just what they told me....

-break-

I,
have decided not to live that way,
I still behave in public,

And I don't confuse the night with day.
And I'm,
Better off please don't say,
We know you'll never live without, you have no way to
keep it out
I Pray

I Pray...
I...
