You and I 'til the day we die.. (day we die..)

Yo yo

Ex girlfriend how you been? I see you still  
tryin to fuck with other women men remember when  
I first met you in my cousin's house a week later  
we was fuckin on your momma couch now it's been  
said

that big girls they don't cry but they damn sure lie  
Look you in the eye sayin you they only  
You and I, til the day we die, said you'd never  
leave me lonely, fly tenderoni but you phony  
Shoulda listened when my momma told me, soon as I  
turn my back you try to fuck my homies, that was then  
this is now I got a new friend, ever since  
I cut them loose ends you wanna bone me  
Add strife to my life, pussy that'll make me think twice  
about leavin the wife even, picture that  
You ain't want me when you had me, now you on  
your third baby daddy, and you hate to see a nigga  
happy  
So you tryin mad ways to trap me, lookin at my girl  
nasty

Tryin to throw the pussy at me

"Now look at this bitch over here tryin to act like me"

"Uh-huh, fuck that bitch, she must like leftover"

[D'Angelo]

Pearl-handled twenty-two, my Boo

She go ahead and walk her dogs, and represent Wu  
to the fullest, you and hon can shoot the fair one  
I'll bring the bullets, knowwhat!msayin? Stop playin

You and them dyke lookin bitches  
Actin like y'all jumpin somethin, go 'head with that

I'm still in love with babe (8X)  
[Method Man]  
Got tired of the games, the lies, the feeble alibis  
Now you fuckin with the next guy, a Thug Nigga  
Derelict be actin bugged nigga, show this nigga  
mad love but get no love nigga?? Stupid ass  
Plus I heard that he be beatin on you, I seen him  
at the club cheatin on you, witcha best friend, got you  
stressin  
And used up, pull your shoes up, all you need's  
affection  
but you're headed in the wrong direction  
Tryin to make this nigga jealous, with other fellas  
All up in my face actin overzealous  
Like you want somethin from Meth, I hope it ain't love  
girl  
Cause I ain't got none left for you, plus you miserable  
Misery Love Company, shit I'm livin comfortably, don't  
need no

Talk to him, before my brother put a spark through him  
Won't be pretty, the situation got my whole attitude  
shitty  
And got you actin high saditty with your slut committee  
You know I know; so go find another sucker yo, I been

and been done that befo', and don't need it no mo'  
That's, my, word! So go to your own with that there,
