"All Because"

I want to set the story straight
It's time to tell the truth
I never could have come so far
If it were not for You

You covered up my sin
You covered up my silence
You covered up my shame
You made me new again

It's all because of You
It's all because of You, You

They tell me to abandon You
To make my dreams come true
So what am I supposed to do?
If I only dream of You

You covered up my sin
You covered up my silence
You covered up my shame
You made me new again

It's all because of You
It's all because of You

It's all because of You, You
It's all because of You

It's all because of You, my love
It's all because, all because of You

Yeah, yeah, yeah, yeah
Yeah, yeah
All because of You
It's all because of You
All that You were through
It's all because of You

All because of You
All because of You
All because of You
