I believe a change is gonna come
That yesterday is over
I do, yeah, I do, yeah

The clouds have silver linings after all
I've seen them with my own eyes
It's true, yeah, it's true, yeah, alright

Though darkness overcomes you now
Morning will break through somehow

It's all gonna be alright, it's all gonna be alright
Even this will pass, tomorrow comes at last
It's all gonna be alright, it's all gonna be alright
It's all gonna be alright

The grass is greener on the other side
No matter what they tell you
It's beautiful, so beautiful

Sow in tears and reap with songs of joy
No sorrow lasts forever
It's true, yeah, it's true, yeah, alright

There never was a darkest night
Without the promise of the morning light

It's all gonna be alright, it's all gonna be alright
Even this will pass, tomorrow comes at last
It's all gonna be alright, it's all gonna be alright
It's all gonna be alright, ooh

There never was a darkest night
Without the promise of the morning light

It's all gonna be alright, it's all gonna be alright
Even this will pass, tomorrow comes at last
It's all gonna be alright, it's all gonna be alright
Even this will pass, tomorrow comes at last

Yeah, it's all gonna be alright, it's all gonna be alright
It's all gonna be alright, it's all gonna be, it's all gonna

be
Alright, alright, alright, yeah
Even this will pass, tomorrow comes at last

Oh, it's all gonna be alright, it's all gonna be alright
It's all gonna be alright, alright, alright, alright
