"Becoming"

Does anybody feel a change coming?
Does anybody feel like up and running?
Does anybody here wanna volunteer
To break through into a new atmosphere?

Here we go, here we go
We're becoming the one we know
Here we go, here we go
Heaven is becoming our home

Becoming our home
Becoming our home
Becoming our home
Becoming our home

Did anybody see the sun setting
Does anybody wanna spend time regretting?
Is anybody tired of owing yesterday?
Does anybody know that someone else paid?

Here we go, here we go
We're becoming the one we know
Here we go, here we go
Heaven is becoming our home

Here we go, here we go
We're becoming the one we know
Here we go, here we go
Heaven is becoming our home

Does anybody know what's really missing?
Does anybody here feel heaven insisting?
Does anybody here long to disappear?
Does anybody, anybody? Here we go

Here we go, here we go
We're becoming the one we know
Here we go, here we go
Heaven is becoming our home
