Here of all places, I'm face to face with
What You began and what I've become
First there was fire, now, just a flicker
Will breaking my heart lead me back to You?

I shout truth at You, without love for You
I am blown up beyond recognition
I will sing to You 'cos You made me to
Won't You help me to mean it?

Hallelujah
Hallelujah
Hallelujah
Better here than nowhere

Something out of nothing, beauty from ashes
A glorious reign after humiliation
So, I race through here of all places
Where nothing is left but my trust in You, yeah

You won't give me up, You can't let me down
You'll be standing to welcome me home one day
Come sing over me, come sing over me, yeah
Won't You help me to hear it?

Hallelujah
Hallelujah
Hallelujah
Better here than nowhere

You won't give me up, You can't let me down
You'll be standing to welcome me home
Welcome me home one day, on day

Hallelujah
Hallelujah
Hallelujah
Better here than nowhere

Hallelujah
Hallelujah
Hallelujah

Better here than, better here than
Better here than nowhere
Nowhere, nowhere

Here I come
Here I come up, yeah, yeah, yeah

I shout truth at You, without love for You, yeah
I am blown up beyond recognition, yeah, yeah
I will sing to You, yeah 'cos You made me to
Won't You help me to mean it?
