Jesus, I stand for You  
No matter what You lead me through  
They will chase me out and close me down  
But Jesus I stand for You

I'll always stand  
I'll always stand  
I'll always stand for You

In all this world  
You're all that's true  
I'll always stand for You  
For You, yeah

Jesus, I've stood my ground  
When unbelief was all around  
And I have felt the sting rejection brings  
But Jesus I still stand for You, yeah

I'll always stand  
I'll always stand  
I'll always stand for You  
For You, yeah

In all this world  
You're all that's true  
I'll always stand for You  
For You, yeah

A time will come when everyone  
Will turn their eyes on the Risen Son  
But until that day, this world will turn away  
And so I'll take Your hand, I'll always stand for You

For You, yeah  
I'll always, I'll always  
Always

Guilty of this grace  
But You took my place  
So Jesus, I'll always stand for You

I'll always stand  
I'll always stand  
I'll always stand for You  
For You

In all this world  
You're all that's true  
I'll always stand for You

For You  
Always stand for You Lord
