Lord are You still comin'?  
This world is all in shame  
Everything is broken  
But You remain

Have mercy on me, Jesus  
I can't take one more step  
The lights go out  
All around me

I want to see Your face  
I want to hear Your voice  
I want to lay my burden down  
I want to run to You  
Forever dance with You  
I long for night to end  
Lord let Your day begin

The sons of men are hiding  
Pretending to be free  
They're yearnin' to escape You  
For liberty

But I want to see Your face  
I want to hear Your voice  
I want to lay my burden down  
I want to run to You  
Forever dance with You  
I long for night to end  
Lord let Your day begin  
Let it come, Lord

All I want, Lord Jesus  
Only You can give  
When the light goes out  
All around me

I want to see Your face  
I want to hear Your voice  
I want to lay my burden down hmm  
I want to run to You  
Forever dance with You

I long for night to end  
Lord let Your day begin

I want to see Your face  
I want to hear Your voice  
I want to lay my burden down  
I want to run to You  
Forever dance with You  
I long for night to end  
Lord let Your day begin  
Let it come, Lord
