"So Glad"

Visit "[So Glad](#)" on MotoLyrics.com

I want to jump, I'm so scared
I want to swim, don't want to get wet
How do I get to You
What do I have to do?

I want to pray, I need sleep
Don't want to sow, I just want to reap
I know what You're going to say
"There's something in the way"
Will it ever end this war inside me?

I'm just so glad
That when I can't, You can
And where I end
That's where You begin
I'm just so glad

I want to sing from my soul
I'm getting bored with rock and roll
All my childhood dreams
Are nothing but childish fantasies

Here I come, there I go
Maybe yes, possibly no
The good fights a brawl
The winner gets it all
Bring it to an end, this war inside me

I'm just so glad
That when I can't, You can
And where I end
That's where You begin

I'm just so glad
That when I can't, You can
And where I end
That's where You begin

Today hot, tomorrow cold
It's the oldest story that's ever been told
How do I get to You, what do I have to do?
One day You'll end this war inside me Jesus

I'm just so glad
That when I can't, You can
And where I end
That's where You begin

I'm just so glad
That when I can't, You can
And where I end
That's where You begin Lord

That's where You begin, yeah
Oh, I'm just so glad
So thank the Lord, so thank
So thank the Lord so good, so good
I'm just so glad
