Taken up out of the world
Shaken up with just a word
Turned around so suddenly
I'm alive eternally

Something invisible
Has become so beautiful
I know I am born again
Laughing and stumbling

Draw me after You
Let me run with You
Show me all Your
Kingdom come, yeah

My heart is where my treasure lies
My great reward is in Your eyes
My every breath belongs to You
You are my treasure, yes, You are Lord

Take the world up out of me
Put the fruit back on the tree
I give everything to be
What only You want me to be

The treasure that You've become
Is shining brighter than the sun
I know why I am born again
I'm still believing

Draw me after You
Let me run with You
Show me all Your
Kingdom come

My heart is where my treasure lies
My great reward is in Your eyes
My every breath belongs to You
You are my treasure, yes, You are Lord

My heart is where my treasure lies
My great reward is in Your eyes

My every breath belongs to You and only You Lord
You are my treasure

Draw me after You
Let me run with You
Show me all Your
Kingdom come

My heart is where my treasure lies
My great reward is in Your eyes
My every breath belongs to You
Hey Lord, You are my great reward
Yes, You are my treasure, yes, You are
Yes, You are, yes, You are Lord

You are my great reward
You are my treasure
You are my great reward
