Largest land mammal
on the face of the plant
faces extinction
this very minute
Taken from the Land
by the Hand of Man
largest land mammal
faces extinction
in our lifetime
What are we gonna do about it?
Absolutely-- Nothing
Absolute--Extinction
Taken from the Land
by the Hands of Man
cutting a hole
through the heart of the jungle
shrewn with body parts
Look Ma, top of the food chain
whose the king of the road
Has my kind gone so blind
or are we just Insane
look Ma, top of the food chain
Whose the king of the jungle NOW?
Largest land mammal
murdered for jewelry
stolen for ivory
I curse your trophies
Largest land mammal
Taken from the Land
by the Hands of Man
