Just take a look around
It's growing everywhere
God Grows Grass It's Heaven sent
God Grows Grass for the environment
God Grows Grass illegally
God Grows Grass for you and me
God Grows Grass since Genesis
God Grows Grass makes common sense
God Grows Grass it's nothing new
God Grows Grass so can you
God Grows Grass so can you God Grows Grass
Sow the seed of liberty reap what you sow
Sow the seed of liberty watch your chances grow
God Grows Grass all naturally
God Grows Grass with no apology
God Grows Grass man makes crack
God Grows Grass so get off my back
God Grows Grass it's understood
God Grows Grass it's all good
God Grows Grass or don't you get it
God Grows Grass word! Spread it
