Yeehaw

Walking across this Texas desert with
the sun beating on his back

Carries a cross

these burning sands

without leaving a single track

Sing a song a six pack

and praise the lord for your salvation

Second coming up and running from the
federal government's intervention

Blood on the X of Texas

Blood on the X that Texas spilt

Blood on the X of Texas

Blood in the house that David built

Messiah on a six string sings a song
that's in demand

Lone gunman in the Lone Star State
hunts his fellow man

Deep in the heart of Texas the bullet
finds its mark

Deep in the heart of Texas his head
gets blown apart

Blood on the X of Texas like a cross hair

Y'll remember the Alamo but don't you forget about

Waco

Blood on the X of Texas

Blood on the X that Texas spilt

Blood on the X of Texas

Blood in the house that David built

Blood on the X of Texas
