I see youre living in the basment in the summer time  
your hats on way too tight!  
I see your middle name is Jason and I know it isn't  
Christopher walkins!  
So why didn't you get a hair cut why didn't you get a  
hair cuuuut!  
why didn't you get a hair cut why didn't you get a hair  
cuuuut! I see youre coming up for water youre  
translucent I cant see the way you look!  
I see you taking out the garbage its apparent that youre  
gonna write a book!  
So why didn't you get a hair cut why didn't you get a  
hair cuuuut!  
why didn't you get a hair cut why didn't you get a hair  
cuuuut!  
Good enough isn't good enough!  
Good enough isn't good enough!  
Good enough isn't good enough if its something you  
really care about!  
Theres only so much you can do with that kind of  
attitude!  
Youre not gonna make it unless you really really want  
to!!!  
Theres only so much you can do with that kind of  
attitude!  
Youre not gonna make it unless you really really want  
to!!!  
Good enough isn't good enough!  
Good enough isn't good enough!  
Good enough isn't good enough!  
GOOD ENOUGH IS NOT GOOD!
