O-o-o-only sixteen, she looks like a queen
In her little white socks, curly black locks
Something struck me funny about this little honey
In a little short frock, baby-blue tights

My-my-my-my-my - mymymymymymy
My-my-my-my-my
Yeh, she wore a blue suede tie, she really caught my
eye

Mm, f-f-f-feeling like a fool, I begin to drool
And I really was gone, baby, so long
A-she should be a lady not a teeny little baby
Then it wouldn't be wrong turning me on

My-my-my-my-my - mymymymymymy
My-my-my-my-my
Yeh, she wore a blue suede tie, she really caught my
eye - whew

She wore a blue suede tie, she really caught my eye
She wore a blue suede tie, she really caught my eye -
yeh whew

Sh-she's a-lookin' at me and I hardly can see
She's a-comin' on strong like a hot tom
Maybe I should go 'cause it's the finish of the show
And I'm a gonna be gone singing my song

My-my-my-my-my - mymymymymymy
My-my-my-my-my
She wore a blue suede tie, she really caught my eye
Mmm, ooh-whee, she wore a blue suede tie
Blue, blue, blue suede tie
I said-a, mm-mm, she wore a blue suede tie
Blue, blue, blue suede tie
