Laaaa la la la la la laa laa
Laaaa la la la la la laa laa

There are times in this life of mine,
That I think that the sun, forgot how to shine,
But as long as you're always there,
It don't bother me, cuz why should I care,
When all I've gotta do, is run to you.

Even the bad times are good,
As soon as I get to you, baby
You've just got to hold me
and even the bad times are good.

Even the bad times are good,
As soon as i get to you, baby
You've just got to kiss me
and even the bad times are good.

Laaaa la la la la la laa laa
Laaaa la la la la la laa laa

When the day seems to drag along,
And all that I do, is working out wrong,
Til I find that I never cry,
As long I know, that you're standing by,
Then all I've gotta do, is run to you.

Even the bad times are good,
As soon as I get to you, baby
You've just got to hold me
and even the bad times are good.

Even the bad times are good,
As soon as i get to you, baby
You've just got to kiss me
and even the bad times are good.

Laaaa la la la la la laa laa
Laaaa la la la la la laa laa
(fades laaaa la la la . . .)
