Oh, don't it hurt deep inside  
To see someone do something' to her?  
Oh, don't it pain to see someone cry?  
Oh especially when someone is her

Silence is golden  
But my eyes' still see  
Silence is golden, golden  
But my eyes still see

A talkin' is cheap, people follow like sheep  
Even though there is nowhere to go  
How could she tell he deceived her so well  
Pity she'll be the last one to know

Silence is golden  
But my eyes' still see  
Silence is golden, golden  
But my eyes still see

How many times did she fall for his line?  
Should I tell her or should I keep cool?  
And if I tried I know she'll say I lied  
Mind your business, don't hurt her, you fool

Silence is golden  
But my eyes' still see  
Silence is golden, golden  
But my eyes still see

But my eyes' still see  
But my eyes' still see
