Too late, too late to be saved  
Too late, too late to be saved  
Too late, too late to be saved

Too many people living in the same old way  
Couldn't pull the handle  
I think of all the people in the world today  
They couldn't hold a candle  
They know it all but when I hear what they say, yeah  
'Cause I know they failed to find a way, yeah

Too late, too late to be saved  
Too late, too late to be saved

If only time could tell me what I had to do  
I wouldn't have to hurry  
I wouldn't mind the hell if I could see it thro'  
I wouldn't have to worry  
They couldn't see we're gonna leave them all behind,  
yeah  
It's alright if they won't change their mind, yeah

Too late, too late to be saved  
Too late, too late to be saved  
(Ooh)

They couldn't see we're gonna leave they all behind,  
yeah  
Well, it's all right if they won't change their mind, yeah

Too late, too late to be saved  
(It's alright, everybody)  
Too late, too late to be saved

Too late, too late to be saved  
(Oh yeah, it's alright)  
Too late, too late to be saved  
(Oh yeah, it's alright)  
Too late, too late to be saved  
(Oh yeah)
