[talking]

all the hard times

everything we've been through

i thought id let you know

ill neva let yoo go

[singing]

everyday i wake up

just to hear your voice,

see your face' and hold you tight

i grip you tight

just so you know

your safe where you are

[chorus]

ill neva let you go

always hold you tight

be there for you

ill neva let my baby go

[singing]

my life had changed because of you

and i need you right here with me

theres no substitute ffor you

as far as i can see your the one for me

and without you in my life

theres no reason for my existance

[chorus]

ill neva let you go

always hold you tight

be there for you

ill neva let my baby go

[singing]

the life i used to live was locked

but when i met you

you were my freedom

you were my first

and im hoping you'd be my last

[chorus]

ill neva let you go

always hold you tight

be there for you

ill neva let my baby go

[repeat 1]

[singing]

wanna let you know

ill neva let you go

cause baby i love you
