#### [Verse 1]

Can I tell ya'll a story  
About my history  
I'm sure a lot ya'll can relate to me  
You see I'm from the ghetto  
A place where me and my brother shared  
The hardwood floor when the winter was cold  
I'm talkin about the ghetto  
said the ghet the ghet the ghet  
I'm not going to stay here no  
I got plans to get out of here  
I see my name, big lights  
Oh Lord I wanna take some of that good life  
I wanna be

#### [Chorus]

I want to be  
A superstar, go get them  
Superstar, oh I wanna be yeah  
I've got be dreams  
Of being a, superstar go get them  
Superstar (a ghetto super star)  
That is all I wanna be

#### [Verse 2]

What you know about that hard knock life?  
What you know about that ware fare life?  
Scrape for dinner and government cheese  
Praying for the Lord  
Lord you bless me  
Oh, and get grandmama out  
Try to buy every Foot Locker out  
Living ghetto fabulous no doubt  
You know what I'm talking about  
I wanna be...

#### [Chorus]

Rolling out slamming cadillac doors  
Holding down every homie I know  
Never ever ever will I be broke  
I wanna be I wanna be a ghetto superstar

Rolling out slamming cadillac doors  
Never ever ever will I be broke  
Holding down every homie I know  
I wanna be I wanna be a ghetto superstar

[Talking]

And if some of ya'll went through what i went through  
You know I just want ya'll to bob ya'll head  
Cause you know every one didn't come from great  
homes

[Chorus]
