common knowledge 101 by Leech
i don't mean to pry
i just hate to see you cry
if you'd rather be alone
in a blink
i'm out the door
there's no need to say it's through
you'll go back
you always do
common knowledge 101
you'll go blind if you keep staring at the sun
someday girl you'll realize
you're not the first
to believe the lies
you're not fooling anyone
when you say
you don't care what you become
common knowledge 101
you'll go blind if you keep staring at the sun
you ask me what i think of love
we gravitate we're cyclical
