ff by Leech

maybe the sex won't be as good
yeah you can leave me but you won't
cause you can use me all you want
truth is you need this dirty dog
so you can sleep around as well
aren't you afraid to be in love
maybe the sex won't be as good
yeah you can leave me but you won't
cause you can use me all you want
you're a conniver
i'm a deceiver
did you really think i didn't know
i'm a conniver
you're a deceiver
did you really think i didn't know
what does it matter
if it's convenient
i couldn't care less
who else you sleep with
maybe the sex won't be as good
