is everyone ready for the next war by Leech
we're being devoured
eaten alive
oh you fear the worst to come
the specter's amok with havoc to arouse
so save a little love
as deep as you're down
we need to stay on the watch
is anyone awake
we sleep through storms
is our imagination
so far gone
is anyone awake
we seem a little numb
all's quiet on the face
that's waiting to roar
we're being devoured
eaten alive
oh your fear will be your fall
we skip compromise
