Ladys and genltemen,
may I have your attention.
I want to introduce to you,
in this corner,
of the good and the right.
Stands a champion robed in white,
his hieght exceeds the heavens.
His wieght, out ways the world,
his reach reaches every where.
His rein is ever more.

Chorus

He is higher then the highest,
Braver then the brave.
No one will ever take his crown away,
he's more mighty then the mightest.
He's the all time undesputed,
undefeated champion of love.

He left his home town,
to enter this arena.
To raise his hands in victory for me,
but an angry crowd crucified,
this king who wore their crown.
And they gladly watched a champion goin' down.
But I will never count him out,
for I'm a witness of the day he'll rise to retain his title,
the Champion of love.

He is higher then the highest,
braver then the brave,
no one will ever take his crown away.
He's more mighty then the mightest,
he reigns from above,
he's the all time undesputed, undefeated champion,
the all time undesputed champion of love.
Of love.
