The church has been silent,
while the world raised its voice.
In loud and angry tones they the lead.
But all across creation,
there's rumbling in the hills.
As the chosen ones of God stand up,
to make His message known.

Chorus

I've got to shout it from the house tops,
proclaim it from the mountain tops.
Tell the world around me Jesus saves.
I have made my choice,
gonna make a joyful noise,
the world will hear my voice,
Jesus saves.
Jesus saves.

The rocks and hills were ready,
to proclaim the saviors might.
But the spirit of the Lord said they should wait,
see God knew his children were ready to march on,
and proclaim his word through out the land,
and seal the devils fate.
But the world still tells us daily,
that God is not alive.
Salvations plan, is just a fairytale.
But their lies don't change the truth,
that's Jesus died for you,
and the Lord says his returning could happen any day.

Repeat chorus

He has heard the joyful sound,
Jesus saves,
Jesus saves.
That's what the tidings all about.
Jesus saves,
Jesus saves.

Repeat chorus

The world will hear my voice,

Jesus saves,
Jesus saves.
Jesus saves,
Jesus saves.
