I'm a simple man
You know I don't have much of a plan
All the crazy things I put us through
Don't you stop and wonder why me, why you

Well, you still make me laugh
Not as often maybe as in the past
Still enough for me to stay around
Don't you question
I don't question what I've found

With your hand upon my heart
You make me stronger than I thought I could be
When the world decides to tear us apart
I put my hand upon your heart

Sometimes we're forced to sail
In troubled waters if the wind does prevail
Mmm, it's not good enough, no not good enough you
see
Oh, but it's good enough for me-ee

With your hand upon my heart
You make me stronger than I thought I could be
When the world conspires to tear us apart
I put your hand upon my heart

And if we lose the light
Well do we have to see
For every pass of night
I feel you-ou here with me
I feel your hand upon my heart
I feel your hand, I feel your ha-a-and
You make me braver than I ever should be
You make me stro-o-ong
And if the world dare to tear us apart
Feel me right here, I feel your hand upon my heart...
I feel, I feel, I fee-ee-eel your hand
Your hand upon, upon my heart...
