Cold Beer

It's way too nice to be stuck inside today
I can't keep my mind off a better time and place
Think I'll fake sick and flat just sneak on out
Call up the crew and find out who just can't stop thinkin'
'bout

Cold beer and a fishin' pole
A little lake off a back road
All the friends my truck can hold
Some charcoal and a cooler full of ice
Pyramid of empty cans
Short shorts and suntans
A little bonfire romance later on tonight

Hey old Joe will go with the drop of a hat
Bring them girls again I won't leave them out to
I'll bet the word will spread, it always does
And if the fish don't bite, hey that's alright
'Cause we can sure 'nough catch a buzz

Cold beer and a fishin' pole
A little lake off a back road
All the friends my truck can hold
Some charcoal and a cooler full of ice
We'll build a pyramid of empty cans
Short shorts and suntans
A little bonfire romance later on tonight
Alright

Does anybody wanna tag along
What you waitin' for, bring it on
Gonna party from dusk 'til dawn
Singin' songs
Just bring it on

Cold beer and a fishin' pole
A little lake off a back road
And all the friends my truck can hold
Some charcoal and a cooler full of ice
We'll build a pyramid of empty cans

Get a little bit of suntan
Have some bonfire romance later on tonight
Little bonfire romance later on tonight
