The sun is setting on a hard day's work  
Sure feels good to get 'er all done  
Washed off the sweat, the hay and the dirt  
Now it's time to have some fun  
I'll go meet Amy at the Dixie Dog  
Get a #3 and a Coke float  
Make the drag, then later on  
We'll head down to the cove

(Chorus)

Back up the pickup, right up to the lake  
Throw a blanket on the tailgate  
Listen to the bullfrog  
Serenade in the moonlight  
In the truck bed dancin' slow  
We'll sing along with the radio  
Sippin' on Grandma's home made wine  
Livin' the good life

There's a cottonwood tree  
With a limb hangin' over  
We'll do the cannonball off a rope swing  
She can dry her clothes out by the fire  
I swear I won't peek  
I'll be wishin' that  
The night could last forever  
As I'm looking into her doe eyes  
Ride back home with her head on my shoulder  
Can't wait till next time
