### "I Think Of You"

I love you like a stream flows restless to the sea  
See you like the mist touches clouds, touches me  
See you in the stars wherever you may be  
I think of you, think of you

If ever you're near and have some time to spend  
I love you every way, love you like a friend  
And then when you leave a whisper in my mind  
I think of you, think of you

When I see a bird fly over to the sea  
And the sun in the sky is shining warm and free  
And when I feel the wind blow cool over me  
I think of you, think of you
