Darling, there were signs
The two of us should have understood,
with open eyes it was not that good

Baby, there were times
I wished you would fall away from me
It's not the way things ought to be

Why didn't you stay here for another day
It's so silent since you've gone
Why didn't you tell me I was doing wrong
It's a sign of the times that I've loved

Darling, hear me out
The two of us could be understood
So give it time, we'll be pretty good

Baby,
Don't you want you with me all the time
It doesn't mean that you're not mine

Why didn't you stay here for another day
It's so silent since you've gone
Why didn't you tell me I was doing wrong
It's a sign of the times that I've loved

If I tried to read between the lines
And you know I will
Will there be signs, really obvious ones
That I can't understand
In return, can I expect to find you

Why didn't you stay here for another day
It's so silent since you've gone
Why didn't you tell me I was doing wrong
It's a sign of the times that I've loved
