We've been hanging around those kids who never  
wanna go home  
Wondering what's their story  
And we've been looking at people standing in lines in  
the streets  
Wondering what's the point here  
There's really nothing going on  
And it's the same thing here when we go home  
It's the same  
It's always the same here

And we will leave you alone  
'Cause it's not our story  
Gonna mark right here  
We'll be nowhere near to the scene  
And we will leave it alone  
'Cause it's not our arms  
Gonna mark right here  
We'll be nowhere close to the scene

We've been hanging around those kids who never  
wanna grow up  
Wondering what's the plan here  
And we've been looking at people, waiting for someone  
to show  
Wondering what's the point here

If there's really something going on  
Well, I'm the one who's going wrong  
It's the same  
It's all the same to me

And we will leave you alone  
'Cause it's not our story  
Gonna mark right here  
We'll be nowhere near to the scene  
And we will leave it alone  
'Cause it's not our arms  
Gonna mark right here  
We'll be nowhere close to the scene
