Looking for some education
Made my way into the night
All that bullshit conversation
Baby, can't you read the signs?

I won't bore you with the details, baby
I don't even wanna waste your time
Let's just say that maybe
You could help to ease my mind
Baby, I ain't Mr. Right

CHORUS:

But if you're looking for fastlove
If that's love in your eyes
It's more than enough
Had some bad love
So fastlove is all that I've got on my mind

What's there to think about, baby?

Looking for some affirmation
made my way into the sun
My friends got their ladies
They're all having babies
I just wanna have some fun

I won't bore you with the details, baby
Gotta get there in your own sweet time
Let's just say that maybe
You could help to ease my mind
Baby, I ain't Mr. Right

REPEAT CHORUS

What's there to think about, baby?
Get yourself some lessons in love

In the absence of security
I made my way into the night
Stupid Cupid keeps on calling me
I see nothing in his eyes

I miss my baby, oh yeah
I miss my baby tonight

So why don't we make a little room
In my BMW, babe?
Searching for some peace of mind?
Hey, I'll help you find it
I do believe that we are practicing the same religion
You really ought to get up now

Looking for some affirmation?
