every day i hear a different story  
people saying that you're not good for me  
saw your lover with another and he's making a fool of  
you  
oohhh  
if you love me baby you deny it  
but you laugh and tell me i should try it  
tell me i'm a baby and i dont understand  
chorus:  
but you know that i'll forgive you just this once twice  
forever  
baby  
you can take me to hell and back  
just as long as we're together  
and you do  
oohh  
i dont want your freedom  
i dont want to play around  
i dont want nobody baby  
part time love just brings me down  
i dont want your freedom  
girl all i want right now is you  
like a prisoner who has his own key  
but i cant escape until you love me  
i just go from day to day  
knowing all about the other boys  
take my hand and tell me i'm a fool to give you all that i  
do  
it's just that someday baby  
someone says the same to you  
chorus:  
but you know that i'll forgive you.....  
to to to to to to to to  
hurting me baby  
hurting me baby
