Title : Hot Boy Hot Girl

i need a hot boy , i need a hot girl .
i need a hot boy , i need a hot girl .
i need a hot boy , i need a hot girl .
i need a hot booy !

do you know the feeling when you
just really need a bang ?
do you know the feeling when you
need much more than your hand ?
do you know the feeling when you
want it so much ?
do you know the feeling when you
need to be touched ?

i'm feelin so lonely tototonight ,
i'm feelin so horny tototonight ,
so i really need a hot boy . (i need a hot boy !)
or i really need a hot girl . (i need a hot girl !)
i'm feelin so lonely tototonight ,
i'm feelin so horny tototonight ,
so i really need a hot boy . (i need a hot boy !)
or i really need a hot girl . (i need a hot girl !)
or them both to hold me tight .
(tight tight , tightigh tight .. i need a hot booooooy)

do you know the feeling when you
wanna have fun right now ?
do you know the feeling when you
don't wanna think about where or how ?
do you know the feeling when you
want it so much ?
do you know the feeling when you
need to be touched ?

i'm feelin so lonely tototonight ,
i'm feelin so horny tototonight ,
so i really need a hot boy . (i need a hot boy !)
or i really need a hot girl . (i need a hot girl !)

i'm feelin so lonely tototonight ,
i'm feelin so horny tototonight ,
so i really need a hot boy . (i need a hot boy !)
or i really need a hot girl . (i need a hot girl !)
or them both to hold me .

could someone please help me ?
could someone please get here ?
i need someone who makes me more than one .
i need someone who makes my kitty flyyy .

i'm feelin so lonely tototonight ,
i'm feelin so horny tototonight ,
so i really need a hot boy . (i need a hot boy !)
or i really need a hot girl . (i need a hot girl !)
i'm feelin so lonely tototonight ,
i'm feelin so horny tototonight ,
so i really need a hot boy . (i need a hot boy !)
or i really need a hot girl . (i need a hot girl !)
i'm feelin so lonely tototonight , (ohhh , feel so lonely !
)
i'm feelin so horny tototonight ,
so i really need a hot boy . (i need a hot boy !)
or i really need a hot girl . (i need a hot girl !)
i'm feelin so lonely tototonight , (feel so lonely , baby ..
)
i'm feelin so horny tototonight ,
so i really need a hot boy . (i need a hot boy !)
or i really need a hot girl . (i need a hot girl !)
or them both to hold me tight.

i need a hot boy , i need a hot girl .
i need a hot boy , i need a hot girl .
i need a hot boy , i need a hot girl .
i need a hot booy !
