Title : My Boobs Are Okay

hello ..

my boobs , my boobs , my boobs are okay .
my boobs , my boobs , my boobs are okay !

i'm lazy , admit it . work is not for me .
busy doing nothing , i'm a beauty queen .
i don't cook , i don't clean , they do it for me .
[i'm such a stupid girl]
i keep my religion in a gucci purse .
ohmygod , i just forgot rest of this verse .
who cares , i never passed junior high .
it was so hard .. so not !

my boobs , my boobs , my boobs are okay .
my boobs , my boobs , my boobs are okay !
and no matter what you say , i know they're okay .
my boobs are okay !!

to stupid too study , i ain't got no brain .
so i never went to collage , couldn't find the way .
i wish every tomorrow was a holiday .
[i'm such a crazy girl]
dumb as they come , oh can't you see ?
my cupsize & iq work in harmony !
just start ask me about economy .
i guess it is for free ?

my boobs , my boobs , my boobs are okay .
my boobs , my boobs , my boobs are okay !
and no matter what you say , i know they're okay .
my boobs are okay !!

with the make up on , to make things fine .
i living glamour from my hips to my eyes .
that's the name of the game , you gotta know the rules
.
if you wanna keep up , you gotta play it cool .

your'e so cool , eheh ..
come on girls !
give me a boo , boo .
give me a b , b .
give me a s , s .
go boobs !
go boobs !
go boobs !

my boobs , my boobs , my boobs are okay .
my boobs , my boobs , my boobs are okay !
and no matter what you say , i know they're okay .
my boobs , my boobs , my boobs are okay !!

my boobs (my boobs) , my boobs (my boobs) , my
boobs (my boobs) are okay (okay) .
my boobs , my boobs , my boobs are okay !
and no matter what you say , i know they're okay .
my boobs are okay !!
