Ohh,  
not too much to talk about  
not nearly enough to go around  
sometimes I feel like I might drown  
but talk is cheap don't make a sound  
and the water is very cold  
and I swim here everyday  
I cant help the way I feel about the things that people  
say

ohh

mouth to mouth it moves so fast  
on eagles wings it moves so fast  
don't listen to a word they say  
its not the real truth anyway  
you never said you were sorry  
it was the same old story  
rumors fly about, changing in the air  
didn't your mother ever tell you life's not fair

rumors are only for the poor  
the only talk they can afford  
passing notes  
talk on the bathroom wall  
I hear it every night  
winter spring and fall  
and the truth will never get to her  
and I don't really care  
cuz I guess its just the way things go  
when cluttered minds are everywhere

Ohh,

not too much to talk about  
not nearly enough to go around  
sometimes I feel like I might drown  
but talk is cheap don't make a
