I'm so happy today  
lost my virginity today  
and all my friends are with me  
and this room smells of weed

I'm so happy today  
its my wedding day  
and my bride stands with me  
together we hope for family

gotta get away

gotta get away

gotta get away

gotta get a

gotta get a

gotta get away

I've worked so hard  
I got so high  
why'd I ever work before  
and I've seen days  
and I've felt time  
now I'm old life's passed me by

I've worked so hard  
I got so high  
why'd ever work before  
and I've seen days  
and I've felt time  
now I'm old life's passed me by  
I'm so sad today  
I'm so sad

gotta get away

gotta get away

gotta get away

gotta get a..

gotta get a..
