I love you more than I should
So much more than is good for me
More than is good

Oh, the timing is cruel
Oh, I need and don't want to need
More than I should

I am falling, say my name
And I'll lie in the sound
What is love but whatever
My heart needs a round

Oh, my sheet is so thin
So I say I can't sleep because
It's so very cold

But I know what I need
And if you were just near to me
Would you go?

I am falling, say my name
And I'll lie in the sound
What is love but whatever
My heart needs a round

I am falling, say my name
And I'll lie in the sound
What is love but whatever
My heart needs a round
And it needs you too much now
